Dear Mrs Manley:

Received your letter of Sept 8 and was very glad to hear that the team was successful in winning the game that was needed to win the second half. I was also glad to know that Isreal play a find game. I wrote Mr Manley a letter telling him the dates that I would be able to come to play. I am sorry that I cannot get there on the 17th but you see I have been here only one week and really have <sup>not</sup> done much. If I left on the 16th and didn't get back until the 24th I don't think I would have a job with <sup>a</sup> game being played on the 25th. I can leave here on Wednesday 18th or Thursday morning 19th and get there in time to play on the 19th then travel to Kansas City with the team and play the games there. OH. Yes My wife had Twins on Sunday past and now I am a proud father. So you see I really need to play some ball or do something. (Smiles) .

Hoping to hear from you soon on what you plan# to do.

Very truly yours.

Pat Patterson
